One of the most important but seldom seen of the groups concerned with the City School System is the School Board. The Board of Education represents the public in its supervising capacities. It acts as an executive committee of the public to see that policies, procedures, and expenditures are used in the best interest of all. The Class of 1965 wishes to express its appreciation and thanks to the Board for making it possible that they have been able to receive their education from an excellent faculty and have been supplied with tools with which to work.

Because of the store of information it holds, the library is probably the most frequented room in school. It is an excellent place for working on research papers, making book reports, obtaining supplementary references for class work and the like. The library provides an ideal atmosphere for much worthwhile study and research for any student who wishes to take advantage of this opportunity.

During the first semester, English students master the mechanics of the language; the second semester is devoted to literature. Students may find themselves in the mysterious world of Poe, the London of Charles Dickens, or the riverboat with Mark Twain. To create through writing and to experience through reading are the goals of the English students of Neville. The art of communication is taught to all grades with the realization that through this ability good relations may be established among people.

In the 1960's the welfare of a large per cent of the population can be affected by the mere pushing of a button, pulling of a lever, or turning of a dial. Mathematical calculations have given this dial its power. The study of mathematics is valuable to a student primarily because it teaches him to think for himself.

The fact that $a^2+b^2=c^2$ may not seem very important to the average student until ten years after graduation. This formula serves as a tool for solving the challenging problems that alert and sharpen his mind while he is attending school. Self-reliance and a sense of achievement are the rewards one earns when he solves a "tough" problem.

A study of the societies of the world, the people that make these societies, their land, customs, occupations, beliefs, and government, compose the social studies courses. for the business world of tomorrow.

Click-click-clicking heard in certain rooms at Neville and the strang symbols seen on the blackboards are not some kind of foreign code. They are the sounds and sights familiar to the future business and office workers of Monroe, Neville's students. The clicking is a result of hard-working typing and clerical practice students, and the strange symbols are actually characters from a shorthand manual. A scraping sound of numerous pens moving over sheets of paper issues from rooms where bookkeeping classes are in progress. The business education classes hum with the sound of an industrious office.

The science department with its goal of improving our knowledge of biological, chemical, and physical environment has served the students in their years at Neville; it has drawn them out of the "dark ages." Through science man learns the "Why's."

Education in these phases builds the minds of young men and women to devise and maintain complicated modern machines. The scientific approach of cause and effect not only helps them as chemists, physicists, or biologists, but also as bankers, nurses, and parents; it teaches them organization.

Where academic subjects have strengthened the students' knowledge, physical education strengthens bodies and builds character. Sportsmanship may be instilled on the football field, on the basketball court, on the baseball diamond, on the track, and applied at any time, any place, or in any situation. This trait is sometimes hard to achieve and is always admired. Physical education combined with mental training is not forgotten today but becomes a part of us as we continue into our adult lives.

The purpose of the Student Council is to promote better understanding among the administration, the faculty, and the student body.

The Student Council has participated in many activities to raise money for the Foreign Exchange Student Program or, if this is not possible, for a scholarship to be presented to an outstanding Neville student. These activities included a talent show, a powder-puff football game, a sale of pen and pencil sets, and the Student Council bookstore, where paperpack books are sold.

One of the main projects of the Student Council this year was to organize and publish a Student's Handbook. This handbook contained all of the information important to students, such as rules and regulations, customs, and information on the various organizations. Each organization is represented by its president or a special representative. Enforcement of the quality point system is also a responsibility of the Inter-club Council. Though the Inter-club Council was formed only in 1964, it is already very effective in achieving its purposes.

Bobby Robinson started the Tiger offensive show with a 47-yard touchdown followed by other scores by Dennis Venable, Fred Amman, Robert McSherry, Dale Young, and Tom Coats. In the third quarter neither team was able to get a scoring drive going until Robert McSherry came through with a fine 75 yard run. During the second half Fair Park controlled the ball much of the time, scoring two touchdowns, but Robinson scored again and Monty Moncrief kicked a 32 yard field goal. Mike Pearson was outstanding in the Tiger defense with 10 tackles, followed by Steve Gilchrist with 8 and Ronnie De Moss with 7.

Neville's 1964 homecoming turned out to be a real battle in which the Tigers came out on top by a score of 14-7. Ruston received the opening kickoff but was forced to kick after failing to pick up a first down. On second down Larry Sheffield snared a Kenny Cobb pass that covered 44 yards and set the Tigers up in scoring position on the Ruston 11. Several plays later Robert McSherry scored from the 1. After Ruston was again forced to punt, the Tigers pounded down to the Bearcat 1, where Ruston recovered a fumble and ended the drive, but Fred Amman recovered a Ruston fumble on the next play. Ronnie Clark broke around right end to score from the 10. Both of Monty Moncrief's kicks during the game were good. But Ruston bounced back with their only score of the night minutes later. Scoring in every quarter of the game, the Tigers rambled to a 47-13 decision over the Ouachita Lions. The scoring began early in the first quarter when Mike Pearson and Joe Rosenburg blocked a Lion punt on their own 18 and Pearson grabbed the ball and stepped into the end zone. However, Ouachita quickly tied the score. At the end of the second quarter the Tigers held a comfortable 28-7 lead with Doug Cookston, Kenny Cobb, and Larry Sheffield scoring. After receiving the kick, and keeping the ball only three plays from the beginning of the second half, Ouachita fumbled and the Tigers began a nine play drive which ended in Robert McSherry's scoring after which Moncrief kicked his fourth PAT of the night. After Ouachita surprised the Tigers with another score, Bobby Robinson pulled down a 47-yard pass from Kenny Cobb for another Neville score. A 29-yard run by Tim Allen ended the Tigers scoring for the night with traditional win over Ouachita.

Billy Walker and Mike Pearson managed to be in on many defensive tackles.

After a long battle with their cross-town rivals, the Tigers downed the West Monroe Rebels 20-7 in their final game of the year. The Rebels went ahead 7-0 early in the game, but the Tigers tied it up after an interception by Robert McSherry. The third quarter was mostly an exchange of punts, but in the last quarter things began to happen. The Tigers put together two scoring drives climaxed by Bobby Robinson's runs. During the game Robinson gained 91 yards and captured the Twin City rushing crown for the 1964 season.

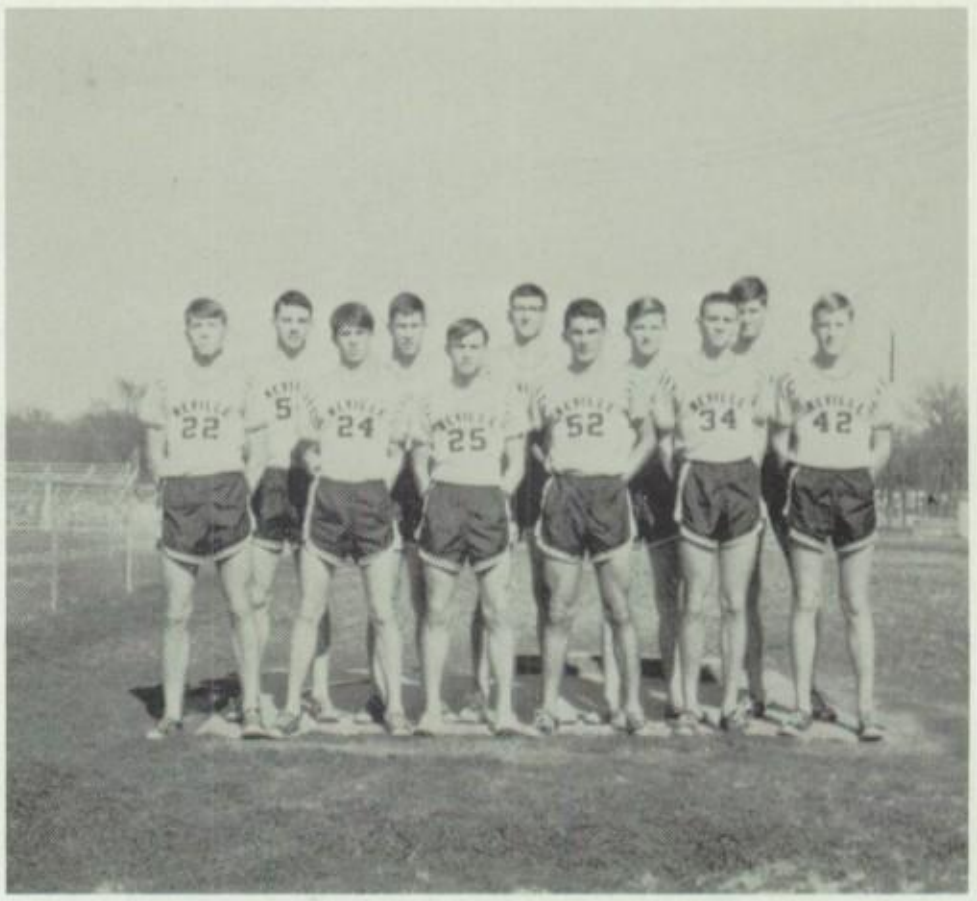
cross country team wins first meet in school's history.

After three years of cross country competition the Tiger Harriers of Coach Buck Stewart won their first meet of the season by topping previously unbeaten West Monroe 25-30 on the Neville course. Before this meet, Neville had finished no higher than second place in a cross country meet. Led by junior Don West who won the two mile race for Neville in 10:22.8, it seemed as though the Tigers were off to a successful season. However, the very next week the Rebels reversed the score to edge out the Tigers 31-25 in another dual meet. West was again the top finisher for Neville placing second in the 1.8 mile race with a fine time of 8:45.

After the Christmas holidays, much rainy weather, and the loss of three top performers, the Tigers' hopes for placing high in their own Invitational Cross Country Meet went down the drain. After starting off the season so well, the Tigers came in a disappointing 5th place in their own Annual Invitational Cross Country Meet held in Forsythe Park. West Monroe won the 1st place team trophy, with a low score of 49, Minden was 2nd with 56, Bolton 3rd with 75, Ruston 4th with 78, and Neville 5th with 79 points. Beautiful gold medals were given to the first five finishers, silver medals to the next five, and bronze medals went to the next five finishers.



On the cross-country team were from left to right: Ken Brazzel, Don West, Alan Williams, Bill Garfield, Doug McFadden, Fred Cale, Vernon Houston, Wayne Taylor, Rett Porter, David Stanhope, and Fred Bealle.

Calisthenics helped prepare the Tigers for the 65 season.

Senior broad-jumper for the Tigers with a record-breaking 21 ft. 8¾ in. jump was Gary Pappas. He was also chosen as the Best Athlete and Best Track and Field man in the Twin Cities for 1964.

Sophomore pole-vaulter Doug Cookston made a new school record with a height of 12 ft. 3 in.

The Track and Field team of Coaches Buck Stewart and Sonny Smith compiled an impressive record this spring by winning 1st place in five of their meets, 2nd in four other meets, and ran 3rd behind powerful Bolton of Alexandria and Baton Rouge High in the annual Bolton Relays. The Tigers also placed 3rd in their own Neville Relays behind West Monroe and Bolton again.

Neville High-Hurdlers were, left, Eastland Gray, a Senior, and, right, J. Dodd Brooks, a Junior.

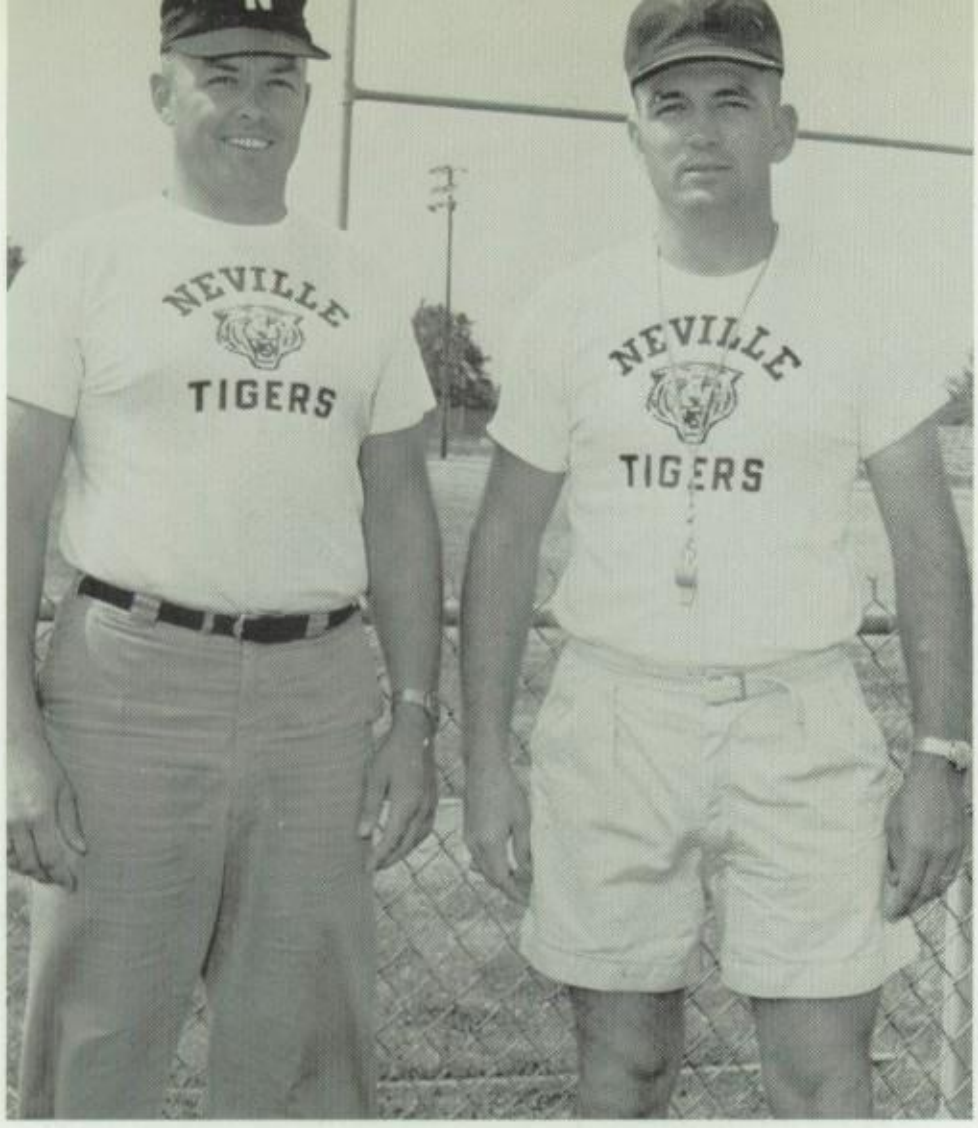
Mile Relay team



Guiding the Tigers to their last AA District Crown were Head Coach Buck Stewart and Coach Sonny Smith.

After winning the District 2-AA title in Ruston for the 2nd time in recent years, the well-balanced track and field team went on to the Regional Meet held at Pineville and placed 2nd behind Minden who went on to win the State AA Championship. Neville also placed 3rd in the very evenly matched State Meet held at La. Tech the next week behind Minden who scored 43 points, Northside of Lafayette who scored 38 points, and the Tigers a very close 3rd with 35 points.

Most of Neville's points came from their fine relay teams which placed 2nd in the 440 and mile relays, and 3rd in the 880 relay. Neville also got fine individual performances from Gary Pappas who placed 3rd in the broad jump with a fine leap of 21'8¼"; Bill Langston who placed 2nd in the javelin with a throw of 188'2 3/4" and from J. Dodd Brooks who placed 2nd in the 120 high hurdles with a time of 15.0 seconds, and 4th in the 180 low hurdles with a time of 20.8 seconds.

The mile relay team, composed of Eric Borgkvist, Gary Holt, Freddy Moses, and Jerry Braud, broke the school record of 3:24.2 which was set in 1962 at the N.O.R.D. Meet of Champions by running a fine time of 3:23.8. This was the 2nd best time run in the state this year.

After making such a fine showing in the relays in the state meet, the Tigers were invited to run in the N.O.R.D. Meet of Champions in New Orleans and also the 1st Annual "Preptacular" meet held at Bolton of Alexandria. These meets are strictly invitational and only the finest athletes in all classes in Louisiana are invited to participate.

Neville trackmen who placed a strong third at the State AA meet were, left to right, front row: Gary Holt, Bill Langston, J. Dodd Brooks, and Gary Pappas; back row: Freddy Moses, Ken Brazzle, Doug Cookston, Jerry Braud, and Eric Borgkvist.

set new mark at NORD meet.

The members of the 1964 Invitational Track Meet were: Sherry Branch; Judy Searcy; Sally Ensminger; Susan Sherrouse, Queen; Til Wright; Jan Conlin.

The Tigers were sent to New Orleans in fine style by the donation of several interested business men in Monroe. They stayed in the new Monteleone Hotel and literally lived like "kings" for two days while in New Orleans. After placing 2nd in the 880 relay, and then being disqualified in the 440 relay, the Tigers came back strong to win 1st place in the mile relay with a fine time of 3:26.5. The winning mile relay team was made up of Eric Borgkvist, Ken Brazzel, Gary Holt, and anchor man Jerry Braud who had to come from behind to win. All the boys received nice trophies and certificates for participating in the meet. Needless to say, it was a "fitting" climax to a fine track season.

Members of the 880 Neville Relay Team, placing third in the state meet with a best time of 1:30.3 and placing second in the N.O.R.D. meet, were: Jerry Braud, Eric Borgkvist, Gary Holt, and Freddy Moses.

Mile Relay Champs at N.O.R.D. Meet of Champions were: (left to right) Eric Borgkvist, Ken Brazzel, Jerry Braud, and Gary Holt. Their first place time was 3:26.5.

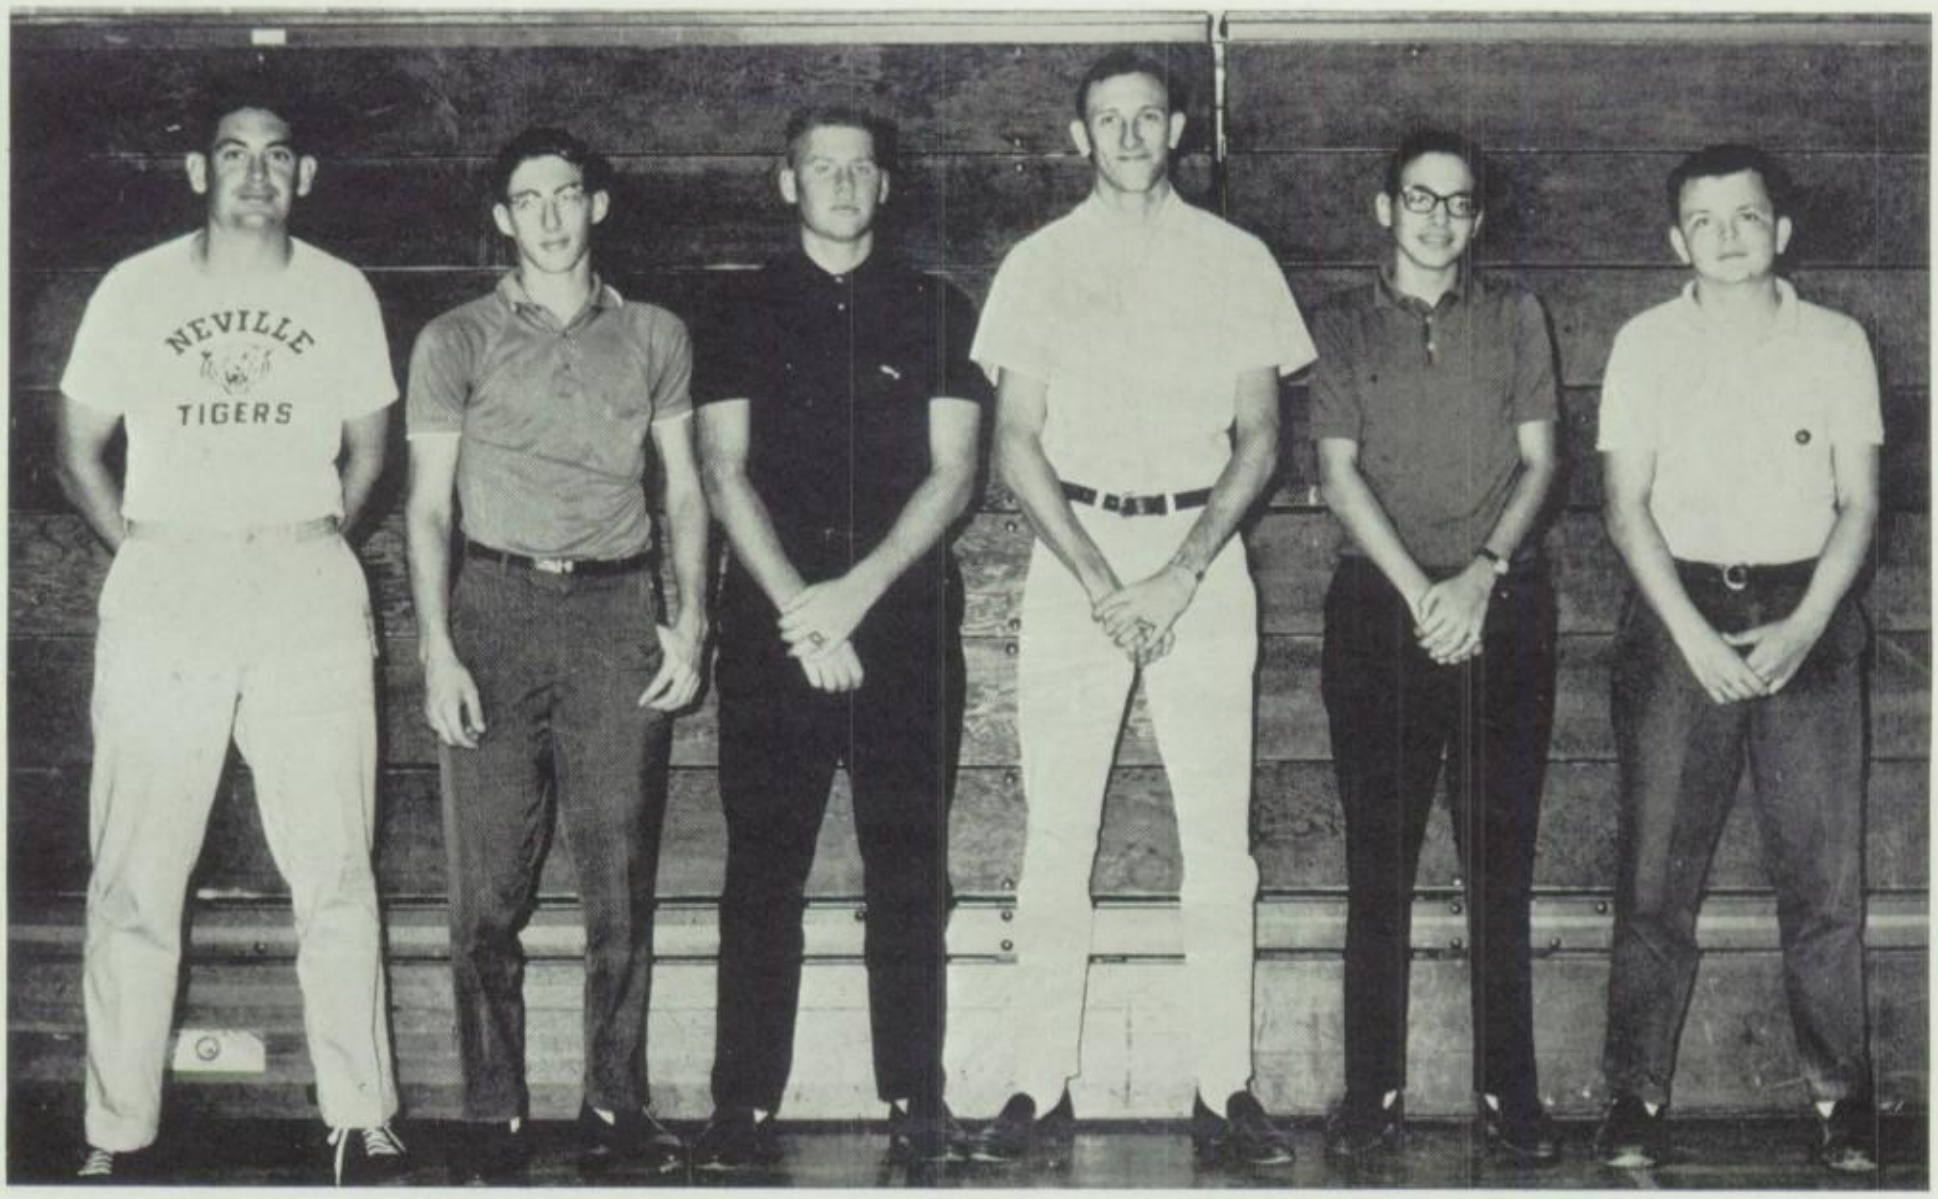
Baseball and golf competition

A Tiger runner rounded first base after making a hit.

Raising his right arm emphatically, the umpire called this Neville player out.

The 1964 Tiger baseball team consisted of these boys: front row: Ken White, Gene Galligan, Tom Brown, Gary Jones, Lance Dreyer, Jay Eppinette, Scotty O'Neal; back row: Bill Irvine, Gary Collier, Ronnie Factor, Pat Stewart, Don Smith, Johnny Clay, Charles Floyd, Don Osborne, Joe Canal, Copelen Bradley.

concludes spring sports action.



Named golf lettermen for the 1964 season by Coach Hollis were from left to right: Edward Solomon, Ray Mulhern, John Garrett, Gordon Hesdorffer, and Stewart Causey.

Under the leadership of Coach Hollis the 1964 golf team ended the season with a record of four wins and three losses. Lettermen were Ray Mulern, John Garrett, Gordon Hesdorffer, Stewart Causey, and Edward Solomon with Jerry Album, Clark Brimberry, and Russell McCue finishing out the team. Highlights of the season were wins over Byrd High of Shreveport; West Monroe; and Bastrop. Ray Mulhern and John Garret received college scholarships for their outstanding play.

Individual champion at the state tournament, Ray Mulhearn set a course record on the LSU course.

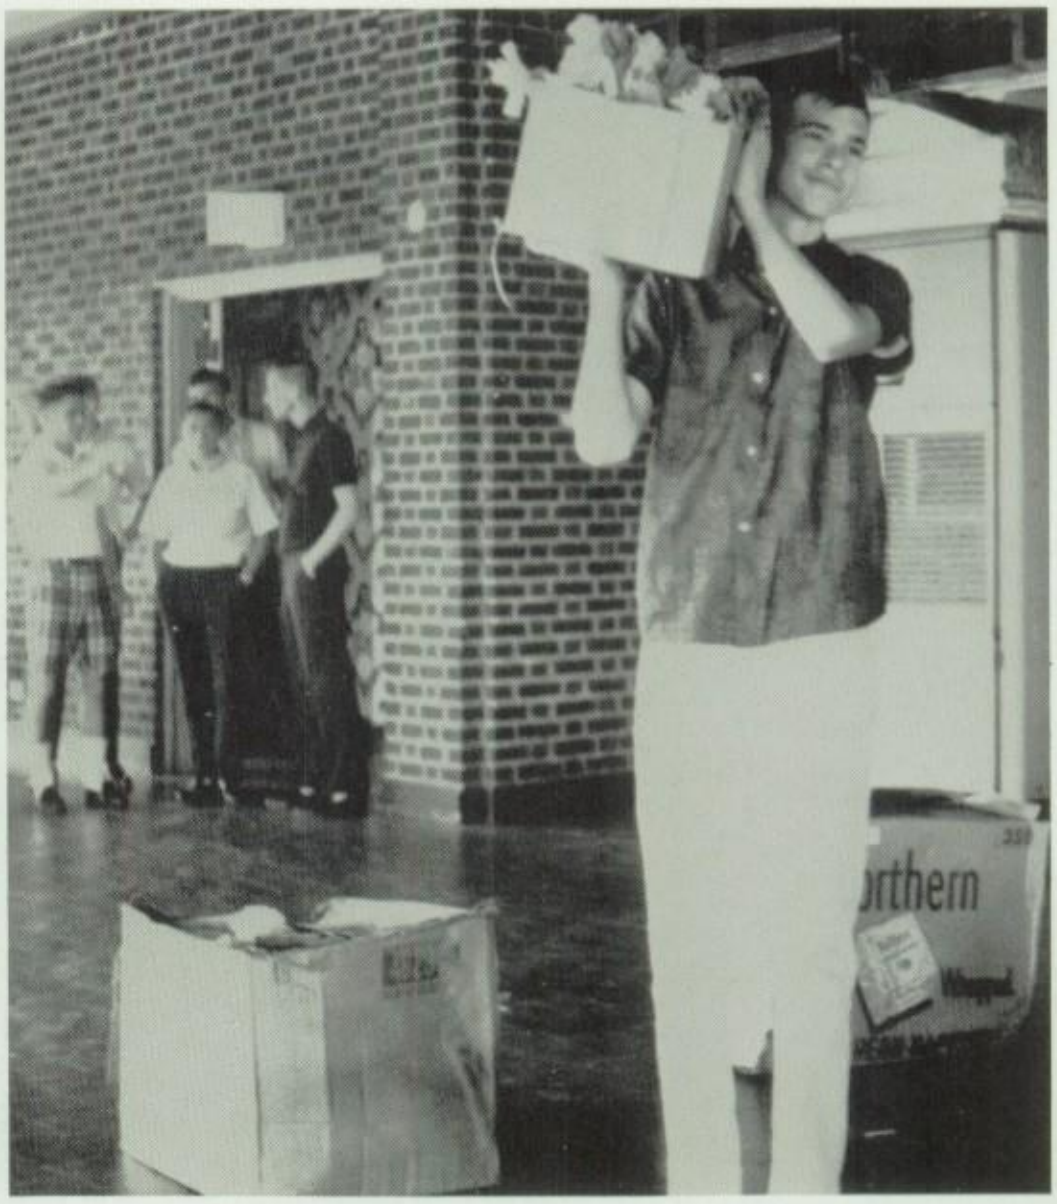
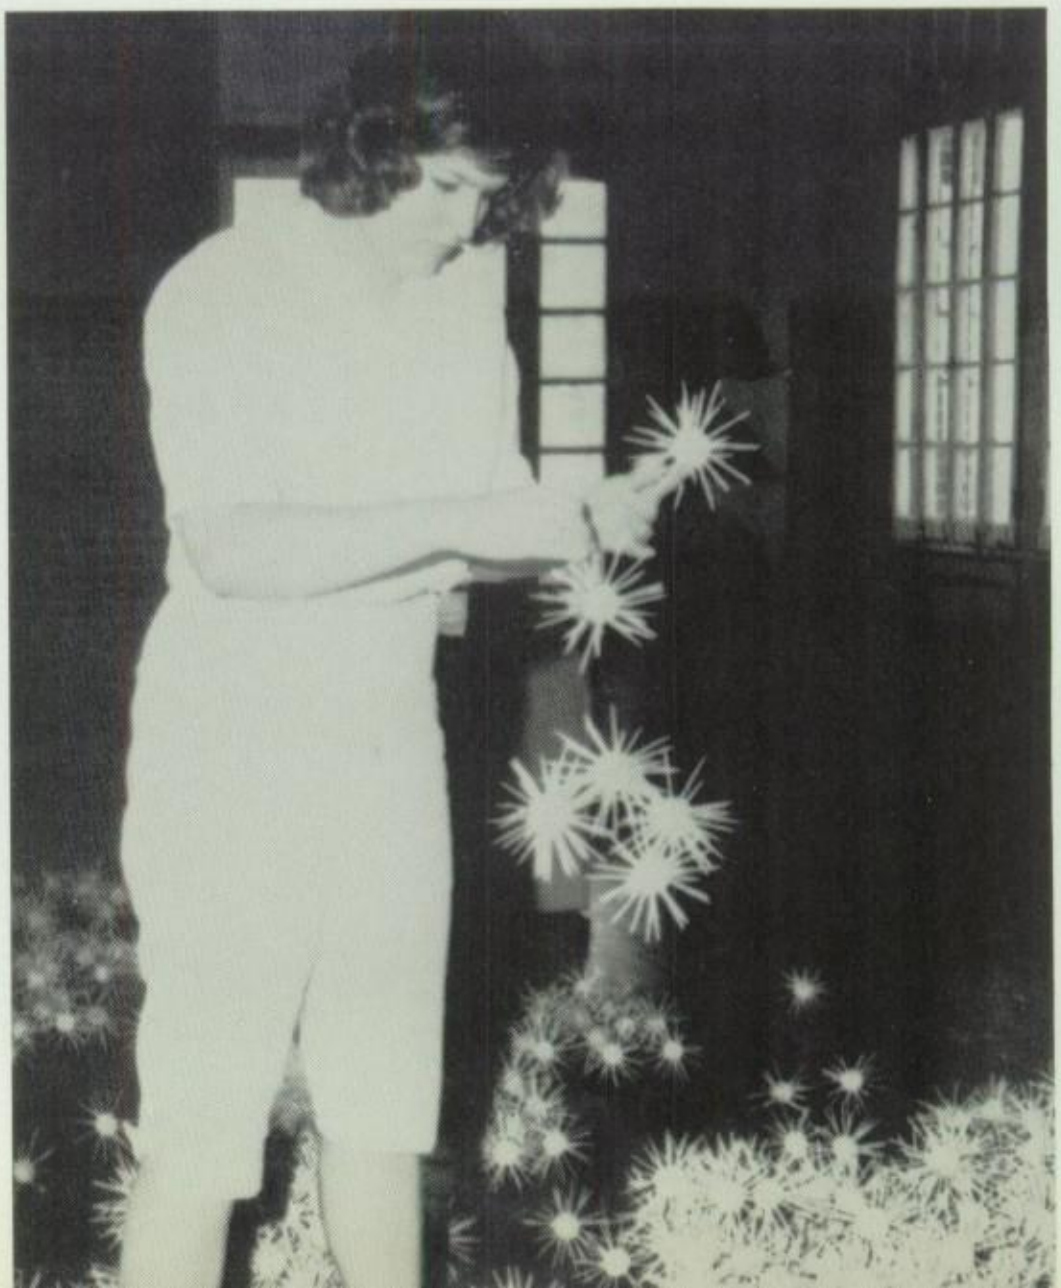
1964 Junior Merrie Jo Simonton served as a member of the decorating committee.



Indispensable during prom decorating time is always someone who will clean up after the decorators. Bob Rowan happened to be around at the right time.

Committee member Donna Porter worked to separate hundreds of "stars."



Carrying out the theme chosen early in the year—"Moonlight and Roses"—the 1964 Junior class hosted the annual Senior Prom. Even though the Juniors had worked during the day decorating, they were still able to make the Virginia Roof sway to the music of the Chantels.

Y-Teens host appreciation tea.

Climaxing activities of the 1964 Y-Teens, sponsored by Mrs. Kilpatrick, the group invited all faculty members to an appreciation tea held in the living room of the home economics department.

Pausing for a moment of refreshment and conversation during the Y-Teen tea were Mr. Popham and Mr. Lytle.

Enjoying a cup of punch served by Mrs. Richard Greene were from left to right: a YWCA Board Member, Mrs. Kilpatrick, Gayle Smith, and Katherine Glasgow.

Outgoing president, Wanda Langley, welcomed members and guests to the banquet.

The annual FHA Mother-Daughter banquet for 1964 was held at the Rendevous Restaurant. The highlights of the evening were the—Most Outstanding Home Economics Student Award, presented to Wanda Langley, and the Homemaker of Tomorrow Award, presented to Becky Parkerson.

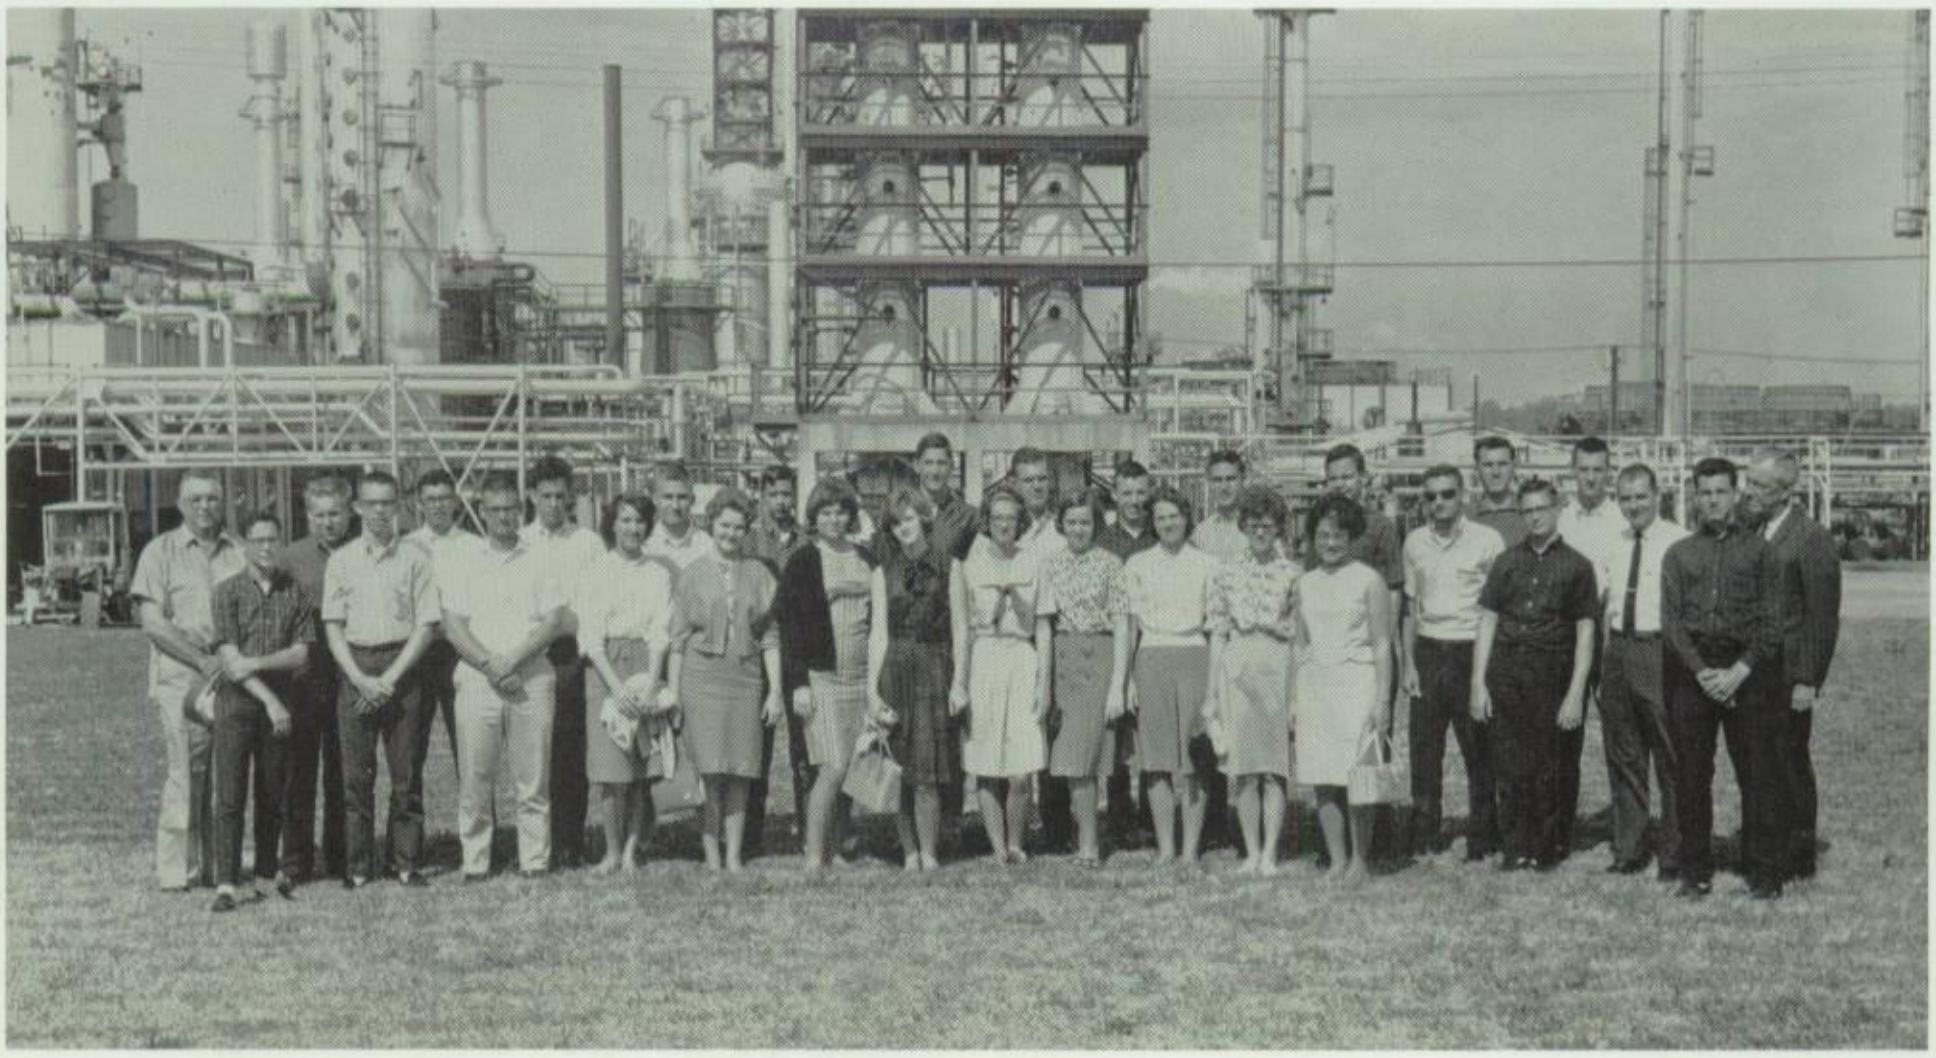
a variety of events climaxed

After having presided over his last assembly as student council president, Steve Huffman surrendered the gavel of leadership to Charles Williams.

Taking part in a field trip sponsored by the Science Club to El Dorado were the following members: from left to right, front row: Charles Frost, Jay Merten, Robert Evangelista, Lee Boudreaux, Nancy Pounds, Dawn Collier, Elise Trimble, Cindy Rowe, Martha Allen, Gay Gannaway, Vicki Langford, Maryanne Hayes, Terry Oglethorpe, Jimmy Kokinos; back row: Willard Kirste; Gary Lee; John Armstrong; Bruce Stovall; David Correro; Dennis Venable; Bill Irvine; Edward Dayton; Lane Allen; Kent Dean; Mike Dispenza; Roy Boudreaux; Jim Mathis; Mr. Kulcke, sponsor.



the school year.

Leading cheers during a pep assembly before an important game was cheerleader Susan Sherrouse.

With the coming of spring life at Neville begins to move faster. With graduation near increased emphasis is placed on study. Not all the student's time is spent in study, however; for there are always athletic events, field trips, elections, and banquets to climax the year's activities.

Serving as a consultant during the spring Americanism Seminar sponsored by the social studies department was newsman Mac Ward.

During the annual basketball awards banquet Coach Hollis presented various trophies to outstanding players. Among the award winners was John Garrett.

acknowledgements

Many people helped in compiling the 1965 edition of the Monroyan. To them the staff would like to express deep appreciation. Among this group were Mr. Morgan and the Trend House; Miss Emy-Lou Biedenharn; Mr. John Fogleman; Mr. Richard Greene; Mrs. George T. Walker; Williams' Studio; and all the advertisers. In addition, the staff cannot omit the faculty, administrators, and students for their patience and co-operation.

As the last sheet of copy went to press, and re-usable materials were put back into the cabinets for the last time, and as the mountains of mistakes and wasted materials and soft drink cups were thrown away, the thoughts of the staff members varied concerning the picture to be used on the last page. Suggestions ranged from the possible to the impossible. Finally, it was decided to end this edition as it had begun—with Shasta, the symbol of Neville Tiger spirit.
